During the last few years, foreign investment has increased in Panama due to the political stability, outstanding economic growth, solid legal framework and excellent tax incentives (for more information see below). Currently, the greatest opportunities for investors are in mining, petroleum, energy, ports and shipping services, real estate, wealth management and international services.

We are lawyers for major Fortune 500 companies, mid-size and small companies and many individual investors and retirees. For more details, please visit our website. ■

Panama Fact Sheet - 2023

Political	<ul style="list-style-type: none"> • Transparent elections since 1990 • Smooth transition of power every 5 years • Long tradition of openness to foreign investments • Structural adjustments to economy proven positive • Bureaucracy reduced, but still a major factor
