About our Private Client Practice

During 35 years, we have advised many high net worth individuals and their families on various matters related to their assets, designing and recommending them the best structures.

Our law firm then started advising Private Clients from Europe, Asia, Middle East, Russia, LatAm on multiple works and transactions – trusts, foundations, special purpose vehicles, financings, real estate, family offices, yachts, jets, tax planning, banking, etc. – directing us to deal with many jurisdictions and institutions.

This accumulated knowledge has led us to the creation of **P&A Wealth**. We aim to provide the Private Client with a One Stop Solution that covers all the wealth, tax, immigration and legal aspects of their situation.
